

Community Preservation Committee Meeting
October 24, 2006

Meeting was opened at 7pm at Hanover High School with five members present

William Scarpelli

Michael Stone

Wallace Kemp

Peter Johnson

Diane Campbell

arriving late were Peter Moll, Deke Moore and Michael Tivnan

Diane Campbell threw out the issue of changing the due date for proposals for discussion. The point of changing the date would be to encourage and allow time for well done proposals. Many groups were not as aware of CPA and procedures for requesting monies until the Town Meeting.

A motion was made to change the date to January 5,2007. It was seconded and voted unanimously.

The decision was made that Deke Moore would speak to the Cervelli project and that Diane would address the other article requesting money to develop plans of Housing, Open Space , Historic and Park and Rec.
Mike Stone also spoke on CPA and planning.

A decision was reached to set up a time for the next meeting in order to review and discuss the actions of the Committee over the last three months.
The next meeting will be November 6 at 7:30 pm at the Town Hall.

Respectfully submitted
Diane Campbell
Vice-Chair
